ŠTATISTICKÝ ÚRAD SLOVENSKEJ REPUBLIKY

Statistical Programmes

Posledná aktualizácia:19.05.2023

The Statistical Office of the Slovak Republic has launched a new, optimised Statistical Data Collection website (eCollection).

Content on the following topics has been moved to the new eCollection site:

- National statistical system, Programme of state statistical surveys,
- European statistical system, statistical programmes.

If you wish to visit the new site, please go to the Statistical Data Collection page.
