**Request for the provision of statistical information** in terms of the Act of the NC SR No. 540/2001 Coll. On State statistics in the wording of later regulations you can send to [info@statistics.sk](mailto:info@statistics.sk). Detailed information with regard to this issue are available on the website Information and Consulting Services.

The requests of a smaller scope will be treated free of charge. In case the answer to your question would require the individual data processing, we will send you a respective price offer.
